A few fun facts about Wolfgang Amadeus Mozart

Mozart was born January 27, 1756 in Salzburg, Austria. He died on December 5, 1791 in Vienna, Austria

He wrote over 600 pieces of music!

He started composing music when he was only 4 years old. His first piece was a sonata written for piano. He wrote his first opera at age 12.

Mozart played music for kings, queens, and other royalty, all over Europe from the age of 6!

He could listen to music just once and then go away and write it down without any mistakes!

Mozart created masterful works for almost every category of classical music - vocal music, concertos, chamber music, symphonies, sonatas, and opera.
